## **Pre-matrimonial Investigation**

Marriage is all about trust and faith between two individuals or two families. That's why, we prefer to marry someone we know, or seek union with a family we're sure about. We know risks are great in cases where marriages are made between couples or families that don't know each other better.

We, at Sleuths India, understand the risks and dangers involved with marriages without familiarity between the parties involved. We're a leading pre-matrimonial investigation agency in India offering a wide range of services to clients across strata of society.

We're an award-winning private detective agency that understands the emotions and faith associated with marriage. We help individuals and families get complete information and details about someone they plan to enter into a union.

We're among the most trusted pre-matrimonial detectives in the country offering reliable investigation to clients from all walks of life. We have the largest team of investigators in the domain with professionals from years of experience in solving variety of pre-matrimonial cases. Our team is approached by individuals, couples and families alike to get information or details about the concerned party before taking any decision in regard to marriage. Our pre-matrimonial checks are available for people looking for arrange marriage, divorce marriage, love marriage and special infidelity cases.

Further, we are hired to investigate a lot of things about either the prospective grooms or bride, or about a families or about siblings etc. We check everything about the would-be groom or bride, or his/her family, so that our clients take the right decision when it comes to marriage. From checking boy/girl's job, affair, medical history, litigation cases, disability, debt, education, drinking habits to family's social reputation, social standing, conduct etc.

Sleuths India investigators also verify every detail and information furnished so that our client could take right decision. We do a thorough pre-marital investigation, dig deep to find information and help people take fruitful decisions.
